

Buffaloes Win From Tigers In Second Game At Didsbury

Calgary Buffaloes, playing a home game on Didsbury ice Saturday night strengthened their position in fourth place of the Western Canada Junior Hockey League by defeating Medicine Hat Tigers 5-1.

Buffaloes scored a 3-0 first period lead and stayed off desperate Tiger rallies in the second period. Tigers counted first in the second period to spoil Hank Bassen's shutout bid but then Buffaloes added two more to make victory certain and a goal attack before it could get organized.

When Buffs did find the range, they scored three goals in four minutes just out of the way mark of the first period. McTeer opened the scoring at 14:25 with a screened shot directly in front of the Tiger goal. Port made it 2-0 for the Buffs after picking up a loose puck in a scramble around the Tiger goalmouth, and Kinasevich added the third marker at 18:38 when he blazed a shot ankle high past MacDonald.

Early in the second period, a penalty to Norm Schirner gave the Tigers a chance to reduce the lead. But great defence work and good goalkeeping by Bassen, kept Medicine Hat off the scoresheet.

Both teams missed good opportunities in the second period, and after 40 minutes of play the Calgary team was still out in front 3-0.

A penalty to Kinasevich in the early minutes of the third period enabled Doroehoy of the Tigers to spoil Bassen's shutout bid. The Tiger forward raced in fast to pick up Puolonen's rebound and send a shot into the goal.

Before Bassen could get back into position, Kinasevich redeemed himself as he broke away from McMahon and slapped McMahon's rebound past MacDonald for the fourth Calgary marker.

Houghton rounded out the scoring for the night when he faked two Tiger defencemen out of position, then pulled MacDonald out of his goal to slip the puck and good open side of the net, with less than five minutes remaining.

Medicine Hat — Goal, Jim Macdonald; defence, G. C. W. Seabie, Plensky; forwards, Kaiser, Hall, V. Fonteyne, R. Fonteyne, Ed Macdonald, Doroehoy, Kili, Syverson, Ingardfield.

Calgary—Goal, Bassen; defence, Houghton, Scott, Hughes; forwards, Kinasevich, McMahon, Duke, Brischner, Gilday, McTeer, Port, McGehee, Peden.

Officials—Joe Shannon and Jerry

Rugby W. I. Meets At Home of Mrs. Cowlitz

The January meeting of the Rugby W.I. was held at the home of Mrs. Cowlitz. With an attendance of 12 members and two visitors. A motion was passed that the provincial dues be paid; also that the money for the Christmas party be paid.

A motion was passed to purchase flannellette to make a quilt for the Red Cross; also that subscription fees for "Home and Country" be sent in.

Roll Call was membership fees. The five-minute topic "A Canadian Author of Artistic Quality" was the life of Lucy Maud Montgomery, given by Mrs. McNaughton.

The bit-of-fun was taken by Mrs. A. Cowlitz.

A card party to be held at the home of Mrs. Hogg on January 7, and everyone is welcome.

Winner of the raffle was Mrs. Blain.

The meeting closed with the singing of the National Anthem and lunch was served.

CURLING NOTES

The Didsbury Branch of the Canadian Legion B.E.S.L. curling play down started at the Didsbury curling rink on December 30 and concluded on January 6. The Fred Evans rink won from the L. Berscht rink on January 6.

Personnel of the rinks competing in the playdowns at Didsbury:

F. Evans, A. Esler, A. Coulter, M. Anderson.

L. Berscht, H. Gillrie, G. Thring and A. Engwer.

J. Wilson, K. McCoy, L. Hunter and L. Shells.

This week's four Didsbury rinks are competing in the Carstairs bonspiel. They are composed as follows:

K. Klein, E. Ford, A. Grusie, H. Allen.

J. Wordie, L. Clayton, W. McFarquhar, I. Weber.

L. Berscht, H. Sinclair, E. Watkins, B. Evers.

A. Les Legend, T. Fox, S. Devine, C. Pratt.

HOSPITAL BENEFITS FOR \$8.00 AVAILABLE TO NON-RATEPAYERS

Mr. Roy McArthur, secretary of the Municipal Hospital District No. 33, residing in the area, may receive a year's hospital benefit plan for up to \$8.00 application is made to the hospital.

This sum includes either single persons or families, and is quite a benefit to the charge of \$10 for single persons and \$15 for families, made last year.

Full particulars are available in the booklet published in this issue of The Pioneer.

More support is needed to assure fine hockey

The game Saturday night between the Buffaloes and the Medicine Hat Tigers was one of the best seen by hockey fans anywhere, and the small crowd was disappointing.

The crowd could have been larger but have been if fans want to continue to see this brand of hockey in town.

The Board of Management of the Didsbury Memorial Arena has been assured that if these Buffalo home games at Didsbury are of sufficient interest to fans and gate receipts are enough to pay expenses that the arrangement will be continued in future years.

So, if you want to continue to see good hockey in Didsbury next year and the years to come, turn out and support the Western Canada Junior Hockey games here for the remainder of the season.

Regarding reserved seat admission charge of \$1.00, the Arena management wishes to point out that this is the recognized charge for all Western Canada Junior Hockey games at the various points where they are played, and this price will be agreed upon before any games could be scheduled for Didsbury. However, if you don't want a reserved seat, you can get a rush seat for 75c and still enjoy the game.

Westcott W.I. Has First Meeting of New Year

The first meeting of the new year for the Westcott W.I. was held at the home of Mrs. Lloyd Vogel and the meeting opened with O Canada, followed by the Creed. Twenty members answered the roll call with "payment of dues."

The secretary read the financial statement for 1951, and it showed a nice balance to start out the new year.

The topic "unfinished business" was completed at this meeting.

A donation for the Girl's Travel Fund is being sent as the objective for the month.

Mrs. Carl Eckstrand read a letter from the Corresponding W. I. in England and it stated that they have around seventy members who enjoyed the Christmas parcel of tea and cake which was sent by the Westcott W.I.

Each member present drew for her 1952 Sister Sister, and is to remember her by a card on her birthday.

Two songs were sung, "Pack Up Your Troubles," and "The More We Get Together."

One of the most interesting five-minute talks was given by Mrs. J. Robertson and she told of her recent trip to Ottawa and of the very interesting people she met there.

A vote of thanks was tendered to Mrs. J. Hughes who so ably typed the new programs for each meeting.

The meeting closed in the usual manner and lunch was served.

The next meeting will be held at the home of Mrs. J. Eckstrand, Mrs. Carl Eckstrand as hostess.

Farewell Parties Given For Westcott District Residents

On Friday evening, last a large crowd of relatives and friends gathered at Westcott school to bid farewell to Mr. Norman Tuggle and Mrs. Blanche Perron who are leaving to reside in Didsbury. Mr. Tuggle is truly an old-timer, having come to this district many years ago from the U.S.A. Mrs. Perron, too, has resided many years in our community and as Norman's housekeeper has made many friends. Both have always been willing to give a helping hand at anytime to either a neighbor or to any community endeavor and they will be sadly missed by all, but the one consolation is they aren't going too far away and it is hoped this old-time friendship can be continued. It is the wish of the community that they have the best of luck and good health in their new home.

A lovely program of local musical talent followed the community singing which was led by Mr. Alex Robertson. Mr. Clifford Murphy was master of ceremonies and at the conclusion of the program presented Mr. Tuggle with a purse, on behalf of all those present, which Mr. Tuggle very fittingly thanked.

ANNUAL BONSPIEL STARTS MONDAY, JANUARY 15

The annual bonspiel of the Didsbury Curling Club starts on Monday, January 14, and will continue for three or four days, depending on the number of entries.

There will be the usual four competitions and good prizes will be given in each event.

All entries must be made to the secretary, F.L. Evans, or the president, E. Pieper, on or before Saturday, January 12th.

FISH AND GAME ANNUAL MEETING JANUARY 11

The annual meeting of the Didsbury Fish and Game Association will be held in the Lions' Hall, on Friday, January 11, at 8:00 p.m.

At this meeting reports will be given by committee chairmen, delegates to the annual convention in Calgary will be elected and the election of officers for 1952 will take place.

A good attendance is requested.

Two Shopping Days Prizes Not Claimed

While the second draw numbers for the six prizes in the Didsbury Merchants' Christmas Shopping Days draw are now in effect, there are still prizes that have not been claimed. The third prize of an electric train and the fourth of a dressed turkey are still being held for the necessary number of winners.

The last prize of an electric radio was claimed by Roy Gale, 2nd, a tri-cyle, by Mrs. R. Benson, 5th, a soldier doll, by Arnold Bode; and a box of chocolates, by Charles Kohut.

DIDSBURY HOSPITAL BIRTHS

Born at the Didsbury Hospital to Mr. and Mrs. George Campbell of Carstairs on Monday, December 31, a girl.

To Mr. and Mrs. Frank Martin of Carstairs on Thursday, January 3, a girl.

To Mr. and Mrs. Art St. Clair on Monday, January 7, a girl.

Born at the Hills Hospital to Mr. and Mrs. Sam Krueger of Didsbury on Tuesday, January 8, a son.

STORES CLOSE SATURDAY NIGHTS AT 6:00 P.M.

For the next three months, January, February and March, the retail stores in Didsbury will close each Saturday night at 6:00 p.m.

Buffaloes To Play Crow's Nest Coalers

The third game in the Western Canada Junior Hockey League will be played at the Didsbury Memorial Arena is scheduled for this Saturday night, January 12, at 9:00 p.m., and will be played between the Calgary Buffaloes and the Crow's Nest Coalers.

After the fine display of hockey at last Saturday night's game fans are satisfied that the Western Canada Junior Hockey games are of a high calibre and no doubt there will be a large crowd at the game this Saturday night.

Reserve seat tickets for the game will be available at Soley's Food Store on Saturday afternoon from 1:00 p.m. to 6:00 p.m., and at the arena at 7:30 p.m.

WESTERDALE

Mr. B. Parkes returned home on Saturday last from a year's holiday trip in Ireland and reports having an enjoyable time.

Fisher's Orchestra has been engaged to play for the dance to be held at the Westerdale hall on Friday, January 11.

Mr. Crofton has arrived from Eastern Canada to take over the teaching duties at the Westerdale school.

Mr. and Mrs. Andrew Cowie of Edmonton visited at the home of Mr. and Mrs. J. Cowie on Saturday.

Mr. F. Jackson and Phyllis spent three days in Calgary last week and are spending the rest of the week at the city where Phyllis is undergoing allergy tests at the Calgary Clinical Laboratories.

Mr. Richard Philp left by train on Monday for a business trip to the Southern city.

Mrs. F. J. Jackson had the misfortune to sprain her right wrist on Sunday when she slipped on the ice.

ON CIVIL DEFENCE

(By Mrs. H. Lynch-Staunton)

[ARTICLE XIII]

The booklet published by the federal government, "Personal Protection Under Atomic Attack" gives some instructions to follow if a raid should take place without warning. The first step would likely be a dazzling flash of light, and persons would have to act immediately to save themselves.

1. If you thought the bomb, lie down very quickly, face downwards.

2. If in a building, lie down against an inner wall, or under a table, or bed away from the window.

After an atomic bomb has been exploded it is likely that the civilian population will be told whether the explosion has been in the air, on the ground, or in some cases under water. Therefore, they should take precautions against all three types until the authorities have announced the nature of the raid.

1. Remain lying down for several minutes to lessen the danger of being struck by flying debris. Then proceed to shelter.

2. If in several hours you feel faint and vomit have this reported to the first aid post, as you may have been harmed by radioactivity.

3. If you are advised that the bomb has been under water or on the ground, stay indoors to escape the falling radio-active dust and mist; and if you have been exposed, wash carefully and don clothing that has been under cover during the raid.

4. Do not touch any food or drink that may have been exposed to radio-active dust or moisture.

The Japanese would have suffered much less than they did from the bomb and fire if they had known the facts contained in this booklet.

M.V.B.C. NEWS

HAPPY NEW YEAR! We are a few days late in wishing the friends of the College a very Happy New Year, but the sincerity with which it comes will make up for the delay. May 1952 bring to all of you every good that a loving Heavenly Father feels fit to bestow upon you.

President and Mrs. Hoskins and several of the students who motored to Washington and Oregon for their Christmas vacation were among the number who were stranded for several days in the mountains. They were not able to get back until Thursday evening.

The students of M.V.B.C. are very busy preparing for examinations which begin on Wednesday morning. These are the first Semester examinations, and as such will conclude several four hour subjects. The new course for the remainder of the year is anticipated by them, and will be challenging to them.

Evening classes will begin at the College for any adults, or young people who are in business, or those who would like to attend school but cannot. You will find further announcement of this in another section of the Pioneer. These courses are designed to bring interest and information to those who are active in church work of any kind. Plan to attend one or more of these classes this winter.

Last Friday night the young people enjoyed a toboggan party east of town. This party was in honor of Donald Suter, the son of Mr. Lydia Suter of this Faculty. Donald is nearing the completion of his course in Engineering at the University of Washington. He was with his mother and Lois during the Christmas vacation.

Faculty members spent their vacation variously. Mr. Richardson, Miss Eby and Mrs. Suter were entertained by friends in the vicinity. Mr. Waldin was at home in Calgary except Christmas day when he brought the family to the home of Mrs. Waldin's parents, Mr. and Mrs. Abe Dyck. Mr. and Mrs. Wilson went to the latter's home in Hoadley, Miss Snyder, with friends in the country on Christmas day. Miss Eby spent part of the week

with relatives in Red Deer.

It was with deep regret that the Faculty of this College learned of the sudden passing of the President of Canadian Nazarene College on Christmas Day. Pres. Martin had spoken at the Alumni Banquet last spring and brought on that occasion a most acceptable message. He was greatly appreciated by the students of the College which he served, and our sympathies are extended to Mrs. Martin and the entire C.N.C. group at this time.

Mr. Richardson spent the week-end with Mr. and Mrs. Willard Swalm of Bergen. Mr. Swalm is the Pastor of the United Missionary Church there.

Groups of students have again served churches this past Sunday. One group went to the Moravian Church west of town, and another to Calgary. On January 20th the entire student body will serve the Sunday school and church of the Didsbury United Missionary Church. This is an event that is of interest, for in every office of the days activities students will be in charge. You will want to hear them sing and teach and preach.

Christmas trees have been taken down; presents have been put away; turkey and ham have long since been consumed, but life goes on, and the days ahead will challenge the best in each of us. May the New Year bring the spirit of service to others, a love for mankind and its crying needs, and a humanitarian spirit such as the while a patient in hospital. Also, thanks to all who sent flowers, gifts and cards.

MRS. WALTER IRWIN

GOOD WHEAT PROSPECTS FOR UNITED STATES

The United States will have a bumper wheat crop next year if current prospects work out. The department of agriculture in Washington forecasts a winter wheat crop for 1952 of 915,205,000 bushels based on conditions existing at the present time.

If next year's spring wheat crop is an average one the yield will be 280 million bushels. Adding the estimated winter wheat production thereto, the total may reach 1,195 million bushels. The 1951 production totalled 987,474,000 bushels.

USE THE CLASSIFIED FOR RESULTS

FOR SALE — Round Oak Kitchen Range in good condition. Phone 12, Didsbury Pioneer.

CARD OF THANKS
I would like to thank Dr. Burgess and the matron and staff of the Didsbury hospital for the kind attention I received while in hospital. I would also like to thank my friends who sent cards, gifts, and who visited me.

MRS. GEORGE ANDERSON

CARD OF THANKS
I wish to thank the staff of the Evening Group of the Knox United Church W.A. and all other friends who sent me get-well cards and Christmas greetings while I was a patient in the Holy Cross hospital in Calgary.

MRS. W. SHANNON

CARD OF THANKS
I would like to take this opportunity to thank Dr. Burgess, Dr. McKenzie, Mrs. Turner and nurses and staff of the Didsbury hospital for the wonderful care I received while a patient in hospital. Also, thanks to all who sent flowers, gifts and cards.

MRS. WALTER IRWIN

CARD OF THANKS
I wish to thank all those who helped make the Christmas season as pleasant as possible for the patients in the Didsbury hospital and the staff.

The work of the girls from the Junior Red Cross group in decorating the wards and the carols sung by the members of the choir from the Mountain View Bible College, under the direction of Prof. G. Lytle Richardson, and the many gifts sent to the staff were all very much appreciated.

The interest shown in the hospital during the past year has been most encouraging and I trust it will continue through the coming year.

V. L. TURNER R.N., matron

WEST NOTES

(Last Week)
Mr. and Mrs. Glen Thompson of Coleman spent the holidays with the former's parents, Mr. and Mrs. O. Thompson.

Mrs. C. S. Hogg, Norman and Mrs. Brenda Ann, who spent three weeks visiting with Mr. and Mrs. A.L. Hogg, returned to Calgary on Wednesday with Mr. Collin Hogg, who was up for Christmas.

Mrs. O. Krebs and Mr. and Mrs. H. Krebs and Mrs. Darwin visited with Mr. and Mrs. Arnold McCulloch on Christmas day.

Mr. and Mrs. R. Neufeld of Calgary spent the Christmas holidays with the latter's parents, Mr. and Mrs. Alfred Cowitz.

Mr. and Mrs. J. Bagshaw, Mr. and Mrs. F. Byrt of Madden and Mr. and Mrs. C. Byrt were dinner guests on Christmas day with Mr. and Mrs. F. Byrt Sr.

Mr. and Mrs. W. Rigby, Mrs. O. Krebs, Mr. Arnold Hogg, Mr. and Mrs. J. Bagshaw, Mr. and Mrs. O. Thompson and Mrs. Alfred Cowitz spent Friday evening with Mr. and Mrs. A.L. Hogg.

Mr. and Mrs. O. Thompson were Calgary visitors on Saturday, December 22.

Mr. and Mrs. M. Campbell, Mr. and Mrs. J. Bagshaw and Mr. and Mrs. Byrt Sr., were supper guests with Mr. and Mrs. Charles Byrt on Thursday evening.

Mr. and Mrs. A.L. Hogg visited with Mr. and Mrs. O. Thompson on Sunday, December 23.

Mr. and Mrs. E. Lewis and family visited the latter's parents Mr. and Mrs. E.W. Lowrie, on Christmas day. Mr. and Mrs. E. McInnes were Calgary visitors Saturday of last week.

The English Church W.A. held a very enjoyable party at the home of Mr. and Mrs. Byrt Smith on Friday afternoon last. Treats were given to the children and Mr. Allan Reid showed pictures of local interest.

Mrs. Peterson of Hartmann is staying with Mrs. McInnes Sr. Miss Stringer who stays with Mrs. Hoggwood Sr., returned from Sylvan Lake on Saturday, where she had spent the Christmas holidays.

Mr. C. Byrt spent a couple of days in the Didsbury hospital the week before Christmas. A heater on his farm exploded in his face when he attempted to light it with gas. Hot ashes were blown into his eyes.

Mr. R. Befus has his arm out of the sling after more than two weeks as the result of a chipped elbow sustained when a scaffold broke.

The report came over the radio of the wounding of Kenneth Lynch, who lived in the Elton district and attended the Elton school several years ago.

Mr. and Mrs. Howard Krebs and baby spent Friday evening with Mr. and Mrs. Ken Thompson. Miss Lila McCulloch spent the weekend with her sister Mrs. H. Krebs.

NOTICE TO RESIDENT NON-RATEPAYERS RESIDING IN THE DIDSBURY MUNICIPAL HOSPITAL DISTRICT No. 33

Non-Ratepayers residing within the Didsbury Municipal Hospital District No. 33 may receive hospital treatment at the Didsbury Hospital on the same basis as ratepayers, namely: \$1.00 per day for public ward for the year 1952, provided they pay to the undersigned Secretary of the Hospital District not later than January 31, 1952, the sum of \$8.00 for either a single person or a family. The term "family" includes the father, mother, dependent children under 21 years, and female domestic help residing with the contract holder. Persons coming to reside in the Hospital District from other parts of the Province may receive the same benefits upon the same terms provided they make application within three months after moving into the District. The Board retains the right to refuse to accept any application hereunder, if, in its opinion, the application is made for the purpose of receiving immediate hospital treatment.

The said Hospital District comprises:

All of Township 30, Ranges 27, 28 and 29, West of the 4th Meridian, and 1, 2, 3 and 4, West of the 5th Meridian.

All of Township 31, Ranges 27, 28 and 29, West of the 4th, and Ranges 1 to 4, west of the 5th Meridian.

Sections 1 to 6 in Township 32, Ranges 27 and 28, West of the 4th Meridian.

Sections 1 and 2, in Township 32, Range 29, West of the 4th Meridian.

Sections 1 to 6 in Township 32, Range 1, West of the 5th Meridian.

Sections 1 to 12 inclusive in Township 32, Ranges 2, 3 and 4, West of the 5th Meridian.

Town of Didsbury.

The Board has set the following rates for treatment for the year 1952:

Ratepayers and Contract Holders:

Public and Semi-Private Ward, per day \$1.00

Private Ward, per day \$3.00

Operating room fees, drugs, X-Rays and Lab. Tests are Extra.

Non-Ratepayers:

Public and Semi-Private Ward, per day \$5.70

Private Ward, per day \$6.70

Children under 16 yrs., per day \$4.70

Operating room fees, drugs, X-Rays and Lab. Tests are Extra.

ONLY THE PELICAN

Questions and Answers time in
the U.K. House of Commons elicited
from Mr. David Eccles, Minister of
Works, the information that offers
of pelicans for St. James' Park had
been accepted from the Governor of
Texas, the State of Louisiana, the
Ameer of Bahawalpur and a private
citizen in Kenya. Asked if he could
ensure the pelicans allocated to the
Park would include one bird of each
sex, the Minister replied, "I am in-
formed that the only sure guide to
the sex of a pelican is another peli-
can. I am awaiting developments."

Field Supervisor

Alberta's Service Boards:

Advice and direction, assistance to
reconciliation neglected farms, and
supervision in extreme cases are
some of the responsibilities of the
Alberta Municipal Service Boards.
G.B. Sterling, Supervisor of Soil
Conservation and Weed Control re-
ports excellent co-operation gener-
ally between Municipal field super-
visors and farmers. Since the Ser-
vice Board act was passed in 1915,
less than fifty farms in the province
have had to be taken under re-
clamation. Although some of the
owners were rather hesitant at
first, few resented the enforcement
when they saw the progress being
made on their land. As an example
of the work done under reclama-
tion, Mr. Sterling cites a case of one
quarter section on which compul-
sory reclamation was ordered by
the board. Within four years, as
well as bringing the land back into
condition, returns from this quarter
were sufficient to pay tax arrears
and costs of operation, and credit to
the owner a balance of \$1700.
With the support of the district
agriculturists and municipal coun-
cils field supervisors are doing a
job that merits appreciation and
full co-operation of the farmers of
their district. Mr. Sterling concludes.
The Service Board personnel of
Mountain View Municipality is as
follows: Chairman, Mr. F.J. Niddrie,
Councillor; Mr. W.J. Bagnall, Coun-
cillor; Mr. Wm. Hammer and Mr.
Frank Laut, farmer members; Dis-
trict Agriculturist, Mr. Hugh Mc-
Phail; Field Supervisor, W.K. Syn-
der.

CHRISTMAS SEAL OBJECTIVE
NOT REACHED YET

Just past the three-quarter mark
is the Christmas Seal for Red Deer
and Central Alberta. It is re-
ported by D.W. Robertson, chairman
of the Red Deer Rotary Club Christ-
mas Seal committee, with receipts
of \$10,950 last week end, leaving
\$3,550 still to be collected before
the \$14,500 objective is reached.
Provincial collections, reported
from Christmas Seal Headquarters
of the Alberta Tuberculosis Associa-
tion, amount to \$148,400 toward the
provincial objective of \$185,000.
Books will be kept open for a few
weeks longer, according to C. Ro-
bert Dickey, general secretary of
the association. Mr. Dickey said:
"We are very grateful to all those
thousands of Albertans (73,000)
who have supported the 1951 Seal
sale so generously to date, and we
know that more thousands fully in-
tend to send in contributions but
just haven't gotten around to it yet."
"We earnestly hope they will do
so quite soon so that we may close
our books and issue our annual re-
port to the public covering funds
collected and our intentions con-
cerning their disposition."

Christmas Seal contributions are
income tax exempt and receipts
will be sent on request. In Red Deer
and Central Alberta contributions
should be addressed to Central Al-
berta Anti-Tuberculosis Committee,
Box 310, Red Deer, Alberta.

CANADA'S 1952 GROWTH

Canada could head into a \$5 bil-
lion year for capital expansion in
1952. It looks now—despite later
activity in housing, commercial,
light manufacturing and some con-
sumer durable fields.

That would be 8 per cent over
1951 for which latest estimates put
the total capital program at \$4,460
millions. This is 22 per cent above
the \$3.8 billion total for 1950.

If the \$5 billion mark is realized
in 1952, 4 to 5 per cent of the 8 per
cent gain would represent higher
prices, leaving a 3 to 4 per cent ac-
tual increase in volume.

Much will depend for 1952 on the
strength shown in defense, defense-
supporting, utility and heavy man-
ufacturing expansion. If gains here
should fall short of present esti-
mates and are not sufficiently great
to offset expected declines in soft
goods and other consumer goods in-
dustries, the total could fall short
of the \$5 billion mark.

DIESEL ENGINE CONSTRUCTED
IN THE ARGENTINE

A diesel electric locomotive has
been constructed in Argentina and
has successfully passed its tests. It
consists of two coupled units and is
supplied with four motors of 735
horse power each which supply pow-
er to motors fixed on each axle.
Each motor group is completely in-
dependent, permitting power distri-
bution according to requirements.
The four axle motor bogies and the
system of the axle suspension are
claimed to be of special design al-
ready patented in Argentina.

Many thousands of dollars are
still needed to continue the battle
against tuberculosis. Send in your
donation today!

EAST NOTES

(Last Week)

An excellent Christmas concert
was held in the Lone Pine Hall by
the Jutland school children and a
big crowd turned out to enjoy the
program.

Mr. and Mrs. Herb Ziegler and
family had Christmas dinner with
Mr. and Mrs. Alfie Thompson and
family.

Mr. and Mrs. Clendenan and Gor-
don, Mr. and Mrs. Ray Schumaker
and Leslie Schumaker were Christ-
mas dinner guests with their par-
ents in Calgary late that day. Gloria
and Joyce went with them to spend
their Christmas holidays. In the af-
ternoon Stanley Schumaker and
Jessie McCulloch called on the
former's parents.

Mr. and Mrs. Sandy Brander and
family, Mr. and Mrs. Albert Milne
and baby, and Mrs. Patterson, Eddy
and Tommy were dinner guests for
Christmas with Mrs. Dowell and
Fred Metz.

Norma McCulloch is home for
her Christmas holidays.
Mr. and Mrs. Jack Underhay and
daughter had dinner with Mr. and
Mrs. Allen Hughes and family on
Sunday, December 30.

Mr. and Mrs. Walter McCulloch
and family and Stanley Schumaker
were Christmas dinner guests with
Mr. and Mrs. H. Pross and Lola.

Doreen Pratt is spending her
Christmas holidays with her Aunt
and Uncle, Mr. and Mrs. Underhay.
Mr. and Mrs. Schumaker spent
Wednesday evening with Mr. and
Mrs. Art Grange and family.

Mrs. Joe Hunter and son Donnie
dined with her mother and father
and took in the Jutland school con-
cert. She returned on Saturday to
her home in Charlhill. Her son Jim
who attends Jutland school returned
with her.

Miss Jean Elliott spent the Christ-
mas holidays with her sister, Mrs.
Rathburn and family.

Mr. and Mrs. Harold Shells and
family and Mr. and Mrs. Ralph Od-
den of Oyen were Christmas dinner
guests with Mr. and Mrs. Bruce
Shells on the farm.

Mrs. Charles Mardon was home
for Christmas.

Mr. and Mrs. Schumaker were
dinner guests with Mr. and Mrs.
Stralo at Crossfield on Friday, De-
cember 28th.

Congratulations to Mr. and Mrs.
Arnold McCulloch and Mr. and
Mrs. Howard Krebs on the birth of their
sons.

Mr. and Mrs. Rathburn and fam-
ily were Christmas visitors with the
latter's parents.

Mr. and Mrs. Geo. Clarke and daugh-
ter were Christmas day guests
with George's parents.

Mr. and Mrs. Frank Moon spent
Christmas with Mr. and Mrs. Chris
Ehret.

GRAIN DRIERS DUTY FREE

At the Alberta Wheat Pool's an-
nual meeting concluded recently,
delegates passed a resolution ask-
ing the federal government to ad-
mit grain drying equipment into
Canada duty free.

This matter was immediately tak-
en up with the federal cabinet, and
word has since been received that
farmers may now import grain
driers for use on their own farms
free of duty.

This is of importance to many
farmers in the prairie provinces,
where an exceptionally large pro-
portion of this year's crop is either
tough or damp.

SASKATCHEWAN HARVESTING

At last weekend it was reported
by the Saskatchewan department
of agriculture that 73 per cent of the
wheat crop had been harvested in
that province. Of the 27 per cent un-
threshed, 16 per cent is in swath.

It was estimated that 77 per cent
of the coarse grains were threshed,
and 14 per cent swathed.

The latest estimate of Saskat-
chewan's 1951 wheat production is

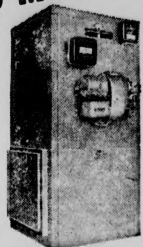

329 million bushels, provided har-
vesting can be completed in the
spring.

CANADIAN NEWSPRINT IN U.K.

The London, England, Express
Newspapers group ("Daily Express",
"Evening Standard", "Sunday Ex-
press") uses 75,000 tons of Canadian
newsprint a year—more than 450,
000 acres of timberlot.

FAIRBANKS-MORSE
Oil Fired
WARM AIR
FURNACE

This ultra-modern styled F.M. Furnace is
designed to give the highest heating
efficiency. It offers more than just ordi-
nary automatic heat... it also conditions
the air, giving the advantages of moist
outdoor air. The F.M. Furnace is finished
in attractive green and designed as a
compact unit that uses only a small floor
area. It is available in 5 sizes. Let us give
you the complete story of the F.M. Oil
Fired Warm Air Furnace.

ANOTHER YEAR

Nineteen hundred and fifty-two has been ushered in without too much fanfare, but it may prove a banner year beyond all expectations. True, the past twelve months have not offered the prosperity that was anticipated, and the long wet spell this past summer, followed by difficulties at harvest time gave no encouragement to our farming population, but taking everything into consideration things could have been worse.

However, the past is the past, and as the west is always a next year country we start 1952 with new hopes, renewed vigor and encouragement. Livestock prices are good, feed is not actually scarce, and given the breaks our farmers have everything to look forward to. They may not have much money, but three squares a day are better than two. When we think of some of our European cousins and the poverty that exists elsewhere in the world, we have much to be thankful for.

Didsbury district can anticipate a minor oil boom this coming year, and a major expansion in the years ahead. There isn't a quarter section of land for miles around that has not been leased, or held by a company or individual. Two wells were drilled last year—both were encouraging, one was exceptional. Two others are drilling and there is little doubt about their capabilities as gas or even oil producers. Several oil wells are now being planned for this area, and 1952 should see much activity around here.

So in starting on this year of 1952 we have every reason to hope for better things to come and a future that offers more to us than it did to our forefathers many years ago.

A TIMELY WARNING

On November 19th, Canada's Prime Minister, Louis St. Laurent, speaking to the Economic Club of New York, warned against the use of growing Western military might to fight a preventive war. Expressing his conviction that the Western world would win if a third world war were fought, he pointed out that "the cost will be far greater than the cost of any previous war" and expressed his opinion that "even victory will bring with it destruction, dislocation and desolation so great as to constitute a threat to civilization itself." He indicated that it was necessary to create and then to maintain, perhaps for generations, military strength so substantial that it could not be challenged by any potential aggressor with any hope of final victory.

"I am not sure," he said, "that one of the greatest dangers we shall face in the next few years will not be the danger of listening to those who think they have a quick and easy solution to this terribly difficult problem. There may be many who will say that totalitarian communism is bent on extinguishing our free way of life, and that we should hit first before we are hit, that the best thing to do is to get the inevitable over with. The appeal of that kind of doctrine is likely to grow as the military strength of the free world grows. In the next few years, it may be that nothing will be so important as to remember that what we are doing is to try to prevent a third world war, not to win one."

In an article in the November 24th issue of the Saturday Evening Post entitled "How close is war with Russia?", the author, Demaree Bess, refers to a book published in 1930 by the Arkansas poet, John Gould Fletcher entitled "The Two Frontiers." Fletcher forecast amazingly the war situation today, and more than 20 years before the event anticipated Mr. St. Laurent's warning in the following words: "If Russia succeeds in consolidating its gains in the Far East while America no less succeeds in its policy of economic penetration into Europe... another world conflict is almost certain to take place before the close of the twentieth century. If such a conflict as we have envisaged should take place, what would be the result?... Such a state of affairs might well lead the world rapidly back into a state of sheer anarchy, and undo in a few years the finest efforts of 5,000 years of civilization. The break-up of the Roman Empire or the recent chaos in China offers but a feeble picture of what such a world would be like... Under these circumstances the duty of every intelligent Russian and every intelligent American of today becomes clear. We must save America and Russia from themselves. That is our mission and purpose... Perhaps this task is altogether beyond our feeble and intermittent powers, yet it is the one remaining task left to humanity to accomplish in our age." — The Canadian Chamber of Commerce News Letter.

Alberta Investments To Reach Vast Totals

Almost one billion dollars worth of new industrial development is in prospect for Alberta.

It will top the province's prodigious growth since the Leduc discovery less than five years ago, marked Alberta as one of the world's oil producing areas, and drew attention to its other unexploited natural wealth.

The figure is from the Alberta Industrial Development Board. Without going into the still confidential detail, director R. Martland said the sum represents "firm" projects—undertakings "past and inquiry phase" and now in the planning stage.

"Of course," said Mr. Martland, "things should happen to change some of the developments planned, such as a shortage of material or the outbreak of war." He added that individual projects will be announced by the firms concerned as plans are complete.

This indication of future development came as the province wound up its most prosperous year, a year in which Premier E. Manning said that if the developments of natural resources continues at the present accelerated rate it "is not too visionary" to foresee the day when Alberta will be a debt-free and a tax-free province.

The province's oil wells produced an estimated \$135,000,000 worth of crude during the twelve months, but still were held in rein because of inadequate means of getting oil to market. At the year end, work was beginning on an estimated \$82,000,000 pipe line from Edmonton to the Pacific Coast, supplementing the line to the Great Lakes which carries Alberta oil to eastern Canada.

Meanwhile, Edmonton shaped up as the centre of a new chemical industry. First in the field was Canadian Chemical Company, a subsidiary of Celanese Corporation of America. Its \$54,000,000 plant, the largest of its type in the world, will turn British Columbia wood pulp into synthetic textiles and by-products of the nearby oil refineries into chemicals including some not at present manufactured in Canada.

Close behind Celanese was Canadian Industries Ltd., with plans to build a \$13,000,000 plant as a starter. It will make polythene, a plastic widely used in the electrical, pharmaceutical and packaging industry, and will use 10,000,000 cubic feet a day of Alberta's natural gas. A third chemical concern was reported ready to announce its plans.

Another C.I.L. plant is under construction in Calgary—a \$4,500,000 project to make commercial explo-

sives. An additional chemical project is a \$3,000,000 plant for the Lethbridge area, 120 miles north-east Edmonton, to make caustic soda, chlorine and assorted chemicals.

Other major new industries include a \$5,000,000 addition to the Canada Cement Plant at Esplanade, west of Calgary—\$3,000,000 refinery at Stettler, and a \$5,000,000 pulp mill at Yates, 115 miles west of Edmonton. Sheritt-Gordon Mines Ltd. is considering Alberta for a \$17,500,000 ore-processing plant, the site of which is expected to be announced soon.

The past year saw the completion of large scale irrigation works, balancing in the south to some extent the industrial development in the north. Completion of the \$7,000,000 St. Mary's River dam marked the first big step in the \$30,000,000 project which will open up some 1,000 irrigated farms over the next 10 years and free large dry areas from dependence on grain growing and raising.

This will result in intensified raising of specialty crops. Already a quick-freeze plant at Lethbridge is producing more than one-fifth of all the quick-frozen vegetables that are marketed in Canada. A cannery at Taber announced a \$1,000,000 expansion program and a new \$5,000,000 beet-sugar factory, one of the most modern in the world and southern Alberta's third, went into operation.

Agriculture, still the province's basic industry, produced more than half a billion dollars worth of crops last year. Forest products topped \$185,000,000, with more than 15 per cent of the world's coal in reserve, the province mined an estimated \$37,000,000 worth during 1951.

Industrial activity stimulated all forms of commerce. The year saw tremendous expansion in warehousing for instance. Retail trade topped three-quarters of a billion dollars, more than three times the turnover of 10 years ago. Bank clearings totalled \$2,225,000,000 and bank debits approached the five billion mark. —Albertan

CHRISTIAN SCIENCE

The sure reward for right living, in contrast with mere seeming, is to be discussed in all Christian Science churches Sunday. The Lesson-Sermon, dealing with the subject "Sacrament," contains this selection from Science and Health with Key to the Scriptures, by Mary Baker Eddy. "If our petitions are sincere, we labor for what we ask; and our Father, who seeth in secret, will reward us openly." This follows the Bible promise in Matthew 3: 6, "Blessed are they which do hunger and thirst after righteousness: for they shall be filled."

RAILWAYS WANT MORE

The Canadian railways, like Oliver Twiss, "always want more." The latest demand is for an increase of 22 per cent on domestic freight rate on grain. This grain movement provides a revenue of about \$8,000,000 a year, and the railways want another \$1,760,000.

The domestic rate is separate from the grain export rate, which is based on Crow's Nest Pass Agreement.

At a recent meeting of the board of transport commissioners, A.N. Jones, a New York investment bro-

ker, appeared as a witness for the C.P.R. and said that the railway is entitled to fair return in order to give the investing public confidence in the company.

J.J. Frawley and M.A. MacPherson, lawyers representing Alberta and Saskatchewan, suggested that non-rail earnings of the C.P.R. (from Consolidated Smelters and oil lands) should be thrown into balance in determining rail rates.

Americans have a per capita coffee consumption of 18 pounds a year.

GENERAL ELECTRIC WASHER

In addition to the famous actuator, each G-E Washer has these quality features:

- Gleaming all-white finish
 - Splash-Proof Tub
 - Sturdy Wringer with fingertip safety release.
 - Permadrive mechanism—no belts, no oiling
 - One year written guarantee
- Deluxe Model **\$245.00**

**CANADIAN
ARMY**

There have been many startling developments in modern weapons—even talk of push-button warfare—but despite all of this—the INFANTRYMAN continues to be the most important man in our defence forces.

Today, the Canadian Infantry Soldier is one of the most highly trained men in our Army. He is master of many weapons. He is tough. He has built a reputation that is second to none.

More young men are needed right away to swell the ranks of the Royal Canadian Infantry Corps. The job is not an easy one. You have to be good to make the grade as the most important man in the Canadian Army—the INFANTRYMAN.

SO ENLIST YOU MUST:

1. Volunteer to serve anywhere.
2. Be 17 to 40 (Tradesmen to 45).
3. Meet Army requirements.
4. Married men will be accepted.

Apply to the nearest Recruiting Depot:

No. 10 Personnel Depot, Currie Barracks, Calgary, Alta.
Edmonton Manning Depot, Western Command, Kingsway Avenue, Edmonton, Alta.

NEWS . . .

FOR THE OWNER OF A PRIVATE PASSENGER TYPE AUTOMOBILE

A new Standard Automobile Policy is now available which provides extra protection without additional premium, and enables you to buy further additional coverage.

If your car is used only for pleasure or business calls, your Automobile Public Liability and Property Damage Insurance will now automatically include:

- (1) Protection in respect of cars used as replacement while your vehicle is under repair.
- (2) Protection for you and your spouse while driving private passenger type cars borrowed occasionally.
- (3) Extension of your present coverage to the new car, in case of trade-ins, or if you buy a second car, for 14 days pending notification of your insurer.

If your present policy expires after January 1, 1952, these extensions, if appropriate to your insurance, will automatically go into effect. There is no need to apply for a new policy until expiry of your old one.

The additional coverages that you may buy and which we will gladly furnish you with full particulars and cost—are:

- (1) Medical expense incurred by passengers who sustain bodily injuries caused by accident while in your car or an occasionally borrowed automobile driven by you or your spouse.
- (2) Comprehensive coverage, which includes in addition to Fire and Theft, protection against breakage of glass, loss caused by missiles, flood, vandalism (malicious mischief), and other perils (but not Collision).

Incredible But True

If your genial C.P.R. express man, or local grocery delivery man, Howard Fout, isn't on time, it's no fault of his watch. Tomorrow, the 10th of January at 11:00 a.m. marks two years, or 730 days, or 17,520 hours, or 1,051,200 minutes, or 63,072,000 seconds, since Howard set his watch, and it has lost 30 seconds out of the 63,072,000, and he just doesn't know where they went. We don't either. Howard's watch has never been hand wound or set in the two years —

IT IS AN AUTOMATIC 17 JEWEL MIDO

You, too, can own a watch to be proud of. A Mido Multifort, Super-Automatic, Shock-resisting, 100% Waterproof.

Three models in stock. . . \$87.50; \$92.50; \$105.00

BERGEN NOTES

(Last Week)

The marriage of Miss Delores Ellis and Mr. William Sundre took place at the Sundre United Church on December 12. Following a honeymoon in Edmonton the couple have taken up residence in Sundre where the groom is employed.

The Ladies Aid held its annual sale of work and home cooking in the Bergen School on December 15. The thermometer registered 30 degrees below zero, consequently the crowd was small. The auctioneer failed to arrive, so a couple of the ladies took over and with the local boys doing some brisk bidding the sale was a decided success. Proceeds amounted to around \$150.

The Bergen School put on an excellent concert on December 21. The teacher, Mrs. Shafer, and the students deserve high praise for the good performance. In the raffle the silver teaspoons were won by Leslie Blain, the cushion top by Alex Moore and the chocolates by Fay Haug. Santa made every child happy with a generous candy bag.

The Young People of the United Missionary Church held an enjoyable performance on the evening of December 23. A group from the church sang carols at several places on Christmas Eve, and Christmas was celebrated in the Norwington custom in many homes. Mr. and Mrs. Kay Cook and girls motored to Castor to spend Christmas with Mrs. Cook's parents.

Mr. and Mrs. Erling Erickson narrowly escaped having their home burned recently when fire broke out between the walls behind the kitchen stove. Smoke was first noticed coming from a bedroom closet on the opposite side of the kitchen wall and it is fortunate that the fire was discovered before any damage was done.

Miss Helen Olsen spent Christmas with her folks in the district.

(This Week)

Rev. and Mrs. Swaim gave a party for their Sunday school classes in the parsonage on Friday evening, January 4. Following an evening of enjoyable games and contests a bounteous lunch was topped by ice cream and was enjoyed by the young people.

Mr. G. Lyle Richardson, from the Bible College, was present and he spent the weekend at the Swaim home, and spoke on his trip to Denmark on Sunday evening at the church.

We wish a speedy recovery to Mr. Alex Moore who is a patient in the Didsbury hospital, and to Dick Ladd who is in the hospital at Olds.

The Home and School Association will hold a luncheon, white elephant sale and fish pond on Friday evening, January 11. Lunch will be served and everyone is welcome.

Kay Cook sold his truck and brought a new one home Saturday. Leslie Blain had the misfortune to break his wrist, and will be wearing a cast for awhile.

Don't forget to vote at the Bergen school on Saturday, January 12. Poll will open from 1 to 4. Candidates are Mr. D. O. Clarke of Bergen and Mr. Dave Burke of Sundre.

EAST NOTES

(This Week)

The next Lone Pine W.I. meeting will be held at the home of Mrs. Floyd Ahlgrim on Wednesday, January 16th.

Mr. and Mrs. Howard Pross and Lola were New Year's day guests with Mr. and Mrs. Walter McCulloch and family.

Leslie Schumaker and Clifford Schneider of Calgary spent a few days with Leslie's parents at New Years. They motored back to Calgary with Mr. and Mrs. Peter Schumaker to have dinner on New Year's day with Mr. and Mrs. Ivan Clendenan. Others present were Mr. and Mrs. Broadhead, Billy Schumaker, Alvera Luft, Mr. and Mrs. Raymond Schumaker, Gloria, Joyce and Leslie. In the evening Mr. and Mrs. Schumaker and girls had a goose supper with the former's mother.

The district's deepest sympathy is extended to Mr. and Mrs. Sandy Brander on the death of the former's father at White Rock, B.C. Sandy and his brother John left by plane Sunday night to fly to their mother's side.

Mr. and Mrs. Walter McCulloch and son and Mr. and Mrs. Howard Pross and Lola were Friday supper guests with Mr. and Mrs. Howard Krebs. The occasion was Howard's and Walter's birthday.

Mr. and Mrs. Walter McCulloch and Leonard were Thursday evening callers on the Schumakers. Anna and Linda Shells called on the Schumaker girls on Wednesday afternoon.

Mr. and Mrs. Ralph Odden are working for Bruce Shells for the winter months.

The Bruce Shells family, Mr. and Mrs. Ralph Odden and Leslie Shells spent New Year's day with Mr. and Mrs. Harold Shells and family.

Miss Norma McCulloch returned to her school at Irma on Wednesday to resume her teaching.

Eddy Scharfenberg and Stanley

MOUNTAIN VIEW

Congratulations to Miss Agnes Tighe and Mr. Noel Dumontier on the announcement of their engagement.

Best wishes to Mr. and Mrs. David Pratt and family who spent New Years with Mr. and Mrs. Jack Underhay and Joyce.

Correction: In last week's news an item should have read "Mr. and Mrs. Allan Hughes spent Boxing Day with Mr. and Mrs. David Pratt and family."

We extend sincere sympathy to the Gibson family on the death of Mrs. Harry Gibson who passed away on Saturday night at her home.

Mr. and Mrs. Gus Olsen spent New Year's day with Mr. and Mrs. Walter Pratt and family.

Mrs. Enrie Cullen is a patient in a Calgary hospital and a speedy recovery is extended to her. Mrs. Lee Persinger is helping out at the Cullen household.

There will be a picture show at the Mountain View Hall on Monday, January 14, sponsored by the U.F.A. Co-op. Watch for notice in the paper.

Mr. and Mrs. Thomas McCall of Calgary are visiting with Mr. and Mrs. Grenville McCall and girls.

Mr. and Mrs. Arthur Gebers visited Saturday evening with Mr. and Mrs. Ed Blain.

Christmas dinner guests at the George Clarke home were Mr. and Mrs. Geo. Clarke Jr. and Carol, Phyllis, Alice, Jim Clarke, Muriel and Jim Clarke and Ray Stewart of Carstairs.

Congratulations to Mr. and Mrs. Herschel Fry. It's a girl, born on New Year's day.

Mr. and Mrs. Grenville McCall were New Year's day dinner guests with Mr. and Mrs. Don McEwen and family at Mayton.

Mr. and Mrs. Ed McNeil were dinner guests on New Year's day with Mr. and Mrs. Cliff Murphy and family.

Mr. and Mrs. Charles Kohut and family were Lacombe visitors on New Year's day at the home of Mr. and Mrs. Ron Stink and family, the latter being Mrs. Kohut's sister.

Mr. and Mrs. Chris Randers and Cheryl, Mr. Ernie and Bob Cullen were New Year's day supper guests with Mr. and Mrs. James Worrall.

Miss Agnes Tighe returned to her job at Innisfail Wednesday night after spending her New Year's holidays at home. Bud Tighe returned to Olds after the holidays.

Mr. and Mrs. Allen Leith and family left for their home at Vauxhall on Saturday after spending the holidays with Mr. and Mrs. Garnet Tighe and family.

Mr. and Mrs. Arthur Gebers were supper guests on New Year's day with Mr. and Mrs. Orville McMann and family.

New Year's day dinner guests with Mr. and Mrs. George Clarke Jr. were Mr. and Mrs. Stan Elliott, Jean, Joy and Bob, Mr. and Mrs. Gordon Rathburn and family, Bert Rathburn and Pete Kryklyw.

Mr. and Mrs. Raymond Hayne and Leonard and Sharon were district visitors from Wednesday to Saturday of last week. Thursday evening they visited with Mr. and Mrs. Lawrence Hunter.

Mr. and Mrs. Eric Atkinson had as their supper guests on January 2, Mr. and Mrs. Arthur Gebers and Mr. and Mrs. George Smith.

Sunday dinner guests at the Gebers home were Mr. and Mrs. Eric Atkinson, Mr. and Mrs. Geo. Smith and Miss Ella Jane.

Sunday afternoon visitors with Mr. and Mrs. George Clarke and Carol were Mr. and Mrs. Eugene LeClair and daughter.

A miscellaneous shower will be held at the G. Tighe home on Tuesday, January 15, at 2:00 p.m. in honor of Miss Agnes Tighe. Mrs. G. Elliott and Mrs. L. Hunter will be hostesses and everybody is welcome. Ladies are asked to please bring lunch.

BUTTER SITUATION

Canada's butter situation appears to be somewhat better than at the same time last year.

Stocks on store on December 1 totalled 57 1/2 million pounds, as compared with about 52 1/2 million at the same time a year ago. During the seven months ending May 1 butter consumption in Canada was down 2.8 per cent, and production up two per cent from the year before. So far this year, 12 1/2 million pounds have been imported, and there will be sufficient to last through the winter. If not, the board is prepared to import more.

Schumaker were Friday evening callers on the Schumakers.

Those having New Year's dinner with Mr. and Mrs. Underhay were Mr. and Mrs. Dave Pratt and children, Mr. E. Hughes, Alwen and Dave Hughes.

Mrs. Spappen visited with her daughter, Mrs. Brander, while Sandy was away. She returned home on Wednesday because Mr. Spappen had to go to the hospital for an operation.

Mr. and Mrs. C. Elmet spent New Year's day with Mr. and Mrs. Frank Moon.

would like to have our attendance reach the 100 mark during the New Year. Won't you come and join us and help us reach our mark? We are sure you will enjoy the singing, the musical numbers and the ministry and Sunday School classes each Sunday. If you have a musical instrument come and join our orchestra under the able direction of Mr. Bob McGaffin of Didsbury, and if you can sing, we would like you to join the choir under the capable hands of Mr. R.W. Moore of Calgary.

Mr. and Mrs. J.H. Cooper visited Calgary on December 29 to help Mr. and Mrs. C.B. Moore celebrate their Wedding Anniversary.

We are sorry to hear that Mr. Bill Carter has been quite sick with a cold.

Mr. Alex Moore and Mr. W.H. McGaffin are patients in the Didsbury hospital and we wish them both a very speedy recovery and return to their homes.

Mr. Pat McGaffin is back in Didsbury attending school after spending the holidays with his parents Mr. and Mrs. Joe McGaffin. Congratulations to Mr. and Mrs. N. Harris of Victoria, B.C. (nee Doris Dick) who are the proud parents of a baby boy.

We are sorry to hear that Mr. Bill Dick has not been well and we wish him a speedy recovery.

Mr. and Mrs. Bob Moore were guests at the home of Mr. and Mrs. E. Loughheed of Water Valley and Mr. and Mrs. E. Adams of Cremona.

Guests at the home of Mr. and Mrs. Joe McGaffin for Christmas

were Mr. and Mrs. Lester Brunn, Mr. and Mrs. R. Polier, and Miss Edna Bruns of Carstairs.

RAIN MAKING

Seeding clouds with silver iodide or tiny crystals of dry ice to bring about rainfall is useless in areas where the air is too dry. This was the conclusion reached by Dr. Ross Gunn, of the United States weather bureau, after conducting tests near Globe, Arizona.

The experiment was conducted in an old concrete-lined copper mine shaft, fitted up with pipes, steam valves and assorted electronic instruments. Half a dozen times or more during the course of a day they would turn on the steam until a dense white cloud of water vapour filled the 670 foot-deep shaft. Then a drop of water would be released at the top and its rate of fall and change of size measured as it tumbled through the cloud. For comparison, what happens to a droplet falling through dry air was also recorded.

It was found that through the steam clouds the drops speed up to about 29 feet a second and grow in size. Falling through dry air the drops move slower and slower until they evaporate.

Dr. Gunn's conclusion was that it is useless to seed clouds in areas where the air is too dry because the raindrops evaporate before reaching the earth. Because dust dries air, drought will always be more likely in dust bowls.
